SUBJECT: ~~KANDAUFROFF~~, Anneliese Adelheid née HOPPE []
aka: Anneliese HOPPE-KANDAUFROFF
DOB/POB: 2 June 1911 in Arnstadt, Thuringia, Germany
PRESENT ADDRESS: Zielstattstr. 63a, Munich 25 West Germany

Anneliese KANDAUFROFF submitted her application for employment as a charwoman at the L.O. Stevens Memorial Library (Emigre Relations Division) on 22 October 1958. Traces were initiated to LTV on 25 November 1958 and a negative reply was received on 22 December 1958. Traces were initiated to MOB on 24 November 1958. A reply was received on 10 December 1958 stating that no derog existed on Anneliese KANDAUFROFF but that there was considerable information on her husband who was known as "one of the oldest hands in the paper-mill/peddler business in the Munich emigre milieu" and about whom existed "unclarified grounds for suspecting that he was a RIS agent". Frankfurt replied on 19 February 1959 that they had no traces on Anneliese KANDAUFROFF but voluminous traces existed on her husband. All of the above traces were conducted under the name Anneliese HOPPE-KANDAUFROFF.

In view of the fact that no derog existed on Anneliese KANDAUFROFF and further in view of the fact that she would be used only as a charwoman in the Library at Lessingstrasse and thus would have no access to Radio Liberty at all, authorization for her employment was written by George L. BILLEN on 31 December 1958 and she was hired on the Special Payroll effective 1 January 1959. In her position she is present in the library only, from early morning until 1:30 PM at which time the library opens. She has no contact with Committee or outside personnel. No derogatory information has been developed regarding her during her period of employment here; however, her husband, Emiri KANDAUFROFF (aka: KANDU), has been disapproved for employment with the Institute for the Study of the USSR by James P. GORDON in June 1959.
